<sup>1</sup>" California Community Colleges and other authorized certifying institutions can certify up to 39 semester units of General Education-Breadth (GE-Breadth)...for transfer students to fulfill lower-division general education requirements for any CSU campus prior to transfer...Students may be permitted to transfer no more than 70 semester units to a CSU campus from an institution which does not offer bachelor's degrees or their equivalents, for example, community colleges."  
2017-2018 California State University, Los Angeles College Catalog; Admissions, Transfer Policies of CSU Campuses

<sup>2</sup>" 5. As the California Board of Registered Nursing requires 36 units of the art and science of nursing in pre-licensure programs in preparation for the standardized external National Council Licensure Examination (NCLEX), in accordance with the stipulations of this policy a CSU campus may award academic credits using the NCLEX examination to demonstrate prior learning of the pre-licensure art and science of nursing required by the Board of Registered Nursing (Title 5 section 40408).  
5.1 If a student has passed the NCLEX examination, a CSU campus may apply toward the baccalaureate nursing degree one unit of academic credit for every unit of the required pre-licensure community college nursing course credits that were not transferred to the CSU baccalaureate program, with a maximum of 30 semester units to be awarded through the NCLEX provision."
